Dear Parents and Carers,

We returned for the Summer Term this week looking forward to all the events occurring this final term of the academic year. Time goes so quickly in school years and we must all remember to cherish what we have.

Over the Easter break staff have completed the Spring Term assessments. Therefore, **the pupils' Spring Term outcomes are available in Moodle under the Assessment tab.** Well done to the pupils for their continued efforts, progress and hard work.

This week I have seen plans, heard discussions and shared in the excitement about the Sussex schools' Gym competition, cross country (which is next Wednesday), Chithurst Monastery, CSI Storrington, Mocktails final, Weald and Downland, Sports Day, Chanctonbury Playscheme; naming just a few events. With an ethos believing in Opportunity + Confidence = Success we try and give a range of different learning experiences throughout the year to stretch and engage in differing environments. We provide more than most schools for our three years compared to others for five years.

One new event launched this week is a **photographic competition** celebrating "family." We teach our pupils the importance and diversity of family and by the closing date of the **22nd June** pupils, staff and parents can enter a black and white photograph reflecting an individual, a pair or a group. Please give all entries to Mrs Modder. Entries must be no smaller than 6 by 4 and no larger than A4. On any entry your name, form or contact details and the title must be submitted. Why not have a go and let's celebrate family in the Queen's ninetieth year? We hope to display them in celebration. We are looking for three prizes so if you are able to sponsor this event please contact me. Thank you.

With May fast approaching our Year 6s are working hard with the staff to develop their English and Maths skills further before the **SATS in early May**. This week we sent out letters about the SATS breakfasts supported by FORSA (Thank you). Although they are important exams we must all remember they are only a snapshot and with so many changes in the nature of these exams the pupils are doing very well to keep up. The staff are working extremely hard to support the pupils through this stressful time. No matter what happens keeping the pupils calm is essential to their success. Thank you every one for your help and support in this.

As you may be aware latest information from the Consultation was published in the Easter break. A Schoolcomms went out on Monday giving links etc. to the Scrutiny Committee's meeting on the 18<sup>th</sup> April. The meeting will be broadcast live via the internet, or view it later from the recent webcasts section of the West Sussex website. Access to the webcast will be available from this address:-

<http://www.westsussex.public-i.tv/core/portal/home>.

The Rydon Governors are continuing to present their case and viewpoint and as always the Governors and staff are all making sure the pupils do not have their education compromised because of this Consultation.

Over this year we have tried to create our own production "**Tales of Bagheera**". We did have to postpone due to my time constraints but my staff, as always team players, have picked up the rehearsal schedule. Staff have asked pupils to come to rehearsals on **Tuesday and Wednesday next week**. I urge the pupils to be there and anyone who wishes to join that hasn't before can come along also. This really is the last call out for the show to go on!

As mentioned earlier we are having our **annual cross country event next Wednesday 20<sup>th</sup>**. Pupils will arrive in PE kit and can wear outer PE attire during the morning if cold. Suitable footwear for running must be worn. To run such events it takes every member of staff to be involved. It is always an enjoyable event and worth the effort.

*Always considering the needs of your child,  
Allison Murphy, Headteacher*

### Lost property

We have a huge amount of lost property which we have on display outside the FT room until next Friday the 22<sup>nd</sup> April. If not claimed by this date, we will be donating it all to a local charity. Please ask your child/children to look through or if you would prefer to come in a look for yourself, you are very welcome.

### Ferny Crofts Year 6 Residential Trip (10<sup>th</sup> -13<sup>th</sup> June 2016)

Ferny Crofts Year 6 Residential information evening will be held on **Wednesday 4<sup>th</sup> May – 6.30pm in the hall.**

This is an important evening giving details of the forth coming residential.
